### **Personal Equipment / Items to bring for day trips include:**

- sunglasses
- sunhat
- sunscreen
- water bottles
- snacks
- lunch
- windbreaker and windpants
- wool, fleece, or neoprene socks
- synthetic long underwear
- synthetic (quick-drying) shorts or bathing suit
- fleece jacket or wool sweater
- hat(s) to provide protection from rain, wind, cold
- sandals, watershoes, or old sneakers that can get wet
- strap for glasses (if needed)
- allergy medicine (if needed)
- medications (if needed)
- waterproof camera (optional)

We provide dry bags for your extra clothing, lunch, and other personal gear. We can also provide a small dry bag for your camera. However, if you have a large and / or expensive camera, you might want to consider a waterproof disposable one for the trip. Any questions, please call us.
